INDICTMENT SEALING FORM

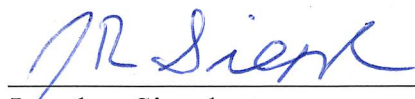

BROOKLYN OFFICE

Case name: United States v. VALENTE PALACIOS TELLEZ, also known as "Valentine Palacios"

Reason for Sealing:

The defendant is currently at liberty, and the government plans to effectuate the arrest in the coming weeks. The government seeks to seal the indictment to ensure that the defendant does not learn that he is under indictment and to prevent him from fleeing justice to avoid arrest and prosecution. Specifically, Defendant VALENTE PALACIOS TELLEZ is not a United States citizen, and the government is concerned that he might flee from justice if he learns that he has been indicted. Notably, the indictment has been returned well within the applicable statute of limitations and sealing is not requested simply to toll the statute.
